

STUFF YOU SHOULD KNOW

Bulldog's Beach House Bar and Grill has a reputation for having great food, a nice selection of beers and spirits, and a no-nonsense attitude. We take pride in offering our customers superior food and reasonable priced drinks. We also strive to provide an enjoyable atmosphere along with professional and efficient service.

All we ask in return is that you don't come in here and start acting like a damned fool.

No biting, growling, barking or we'll send you to the dog house.

Enjoy your visit, stay out of trouble and play nicely with others.

No Dogfights allowed.

*** WARNING ***

Bulldog's Beach House is not politically correct. If you are easily offended, then there is a good chance that you will get offended here. We reserve the right to refuse service to anyone, especially if we think that you are being a great big jerk. We strive to keep this place an official idiot-free zone, so if in our opinion you indeed are an idiot, we will make sure to tell you, right before we escort you out.

Bulldog's is not a public library, it is a privately owned business, and as such we enforce a very strict no-whining policy. We are sorry if you are offended by the obnoxious coeds sitting next to you, or you feel the music is too loud or that the bar is too smoky. If you feel the need to control your environment, then you need to stay home.

FRESH FOOD, SPECIAL ORDERS AND EXTRAS

Our food is not wrapped in foil and sitting under a heat lamp. All items are fresh and cooked to order. If you order something that is not on the menu and we make it for you, we will charge you whatever damn price we want and you will thank us for it. If you request extra stuff, we will get it for you, but we will also charge you for it. We don't get any of this stuff for free. Look around you.

If we are very busy then your order will take longer to make.

This ain't fast food; It's good food.
